TO WHOMSOEVER IT MAY CONCERN

This is to certify that **MR. Lucky gole** has successfully completed their internship program at **UMID Infotech** as a **PHP Full Stack Developer Intern**. The internship tenure was from **15th December 2024 to 15th March 2025**.

During this period, **Lucky gole** was involved in various live projects and contributed significantly to the design, development, and implementation of web applications. Their responsibilities included:

- Developing front-end components using HTML, CSS, JavaScript, and modern frameworks.
- Working on back-end development with PHP, MySQL, and Laravel.
- Collaborating with the team to integrate APIs and third-party services.
- Debugging, troubleshooting, and optimizing web applications for performance and scalability.
- Participating in code reviews and adhering to best practices in coding standards.

Throughout the internship, Lucky gole demonstrated a strong understanding of full-stack development concepts, problem-solving abilities, and a willingness to learn new technologies. They showed professionalism, dedication, and teamwork, contributing effectively to multiple projects handled by UMID Infotech.

We appreciate their efforts and wish them all the best for their future endeavors.

Sincerely,

Agraj Mani Tripathi
